REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

After careful search and consideration of the present claimed invention, the independent claims 1, 9, 12, 15 & 18 are allowable over the prior art of record. The prior art of record do not teach the claimed "abstraction of a remote host controller" in combination with the rest of the limitations of the claimed invention, when interpreted in accordance with the specification. As can be seen from the present specification, the meaning of abstraction of a remote host controller is defined in the specification section [27]; the examiner interprets the "abstraction of a remote host controller" accordingly. Further limiting claims 2-8, 10-11, 13-14, 16-17 & 19-20 are similarly allowable over the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
